Now Available on Amazon Music, Apple iTunes, Pandora, Spotify, and many others, **PABLO** is Composer Charles Bloom's Original Musical About the Early Life of Pablo Picasso

New York, NY – The concept album for **PABLO**, a new musical based on the early life of legendary artist Pablo Picasso, has now been released on Amazon Music, Apple iTunes, Pandora, Spotify and many more music streaming platforms under the record label Sonic Landscapes Music. The fully orchestrated concept album with book, music and lyrics penned by **Charles Bloom** is sung by a cast of Broadway, Off-Broadway, and regional theater performers and produced, orchestrated, and conducted by **David Snyder** with music direction by **Andrew Wheeler** (*Waitress*), direction by **Stephen Nachamie** (*She Loves Me*), and casting by **Jamibeth Margolis, CSA**.

In addition to [Amazon Music](#), Apple iTunes, [Pandora](#) and [Spotify](#), **PABLO** is available on over 30 music streaming services, including [Deezer](#), [iHeartRadio](#), Tidal, [YouTube Music](#), and many more.

**PABLO**'s principal cast includes Bronson Norris Murphy as Pablo Picasso (*Phantom; Love Never Dies: The Phantom Returns*), Christopher Behmke (*A Gentleman's Guide to Love & Murder*, 1st Nat. Tour), George Dvorsky (*The Scarlet Pimpernel; Gentlemen Prefer Blondes; Passion*), Kayleen Seidl (*Yiddish Fiddler on the Roof*, dir. Joel Grey), and Haley Swindal (*Chicago; Jekyll and Hyde*), with powerhouse vocalists Justin John Moniz, William Thomas Evans, Mike Dinneen, Christopher Nolan, Rob Richardson, Kurt Perry, Chris Brick, Michael Spaziani, and Andrew Parks.

With a timeless, tuneful score reminiscent of classic musical theater, **PABLO** was originally introduced at an invitation-only listening party held on Monday, May 16, 2022, at The Laurie Beechman Theatre in Manhattan.
